To whom it may concern:

I am a Continental Airlines frequent flyer and member of its Presidents Club. I support Continental's Petition to the FCC. I want Continental to be able to continue to provide its own wireless service to me and other members at Boston Logan and other airports, which is a free service. I rely on Continental's seamless service wherever I fly. Thank you for ensuring the right of the public to use the wireless service of its choice. Your attention to this matter is appreciated.

Sincerely,

Robert A. Stratman
